- Profiles of selected cases are shown on page numbers given in the last column (*MP*: mid-parental)
- All dates are entered in the format: YYYY-MM-DD (year-month-day)
- For height status, (+) [(-)]means child has excess (lesser) height-for-*MP*-height, but is not considered tall [stunted];
- For mass status, (+) [(-)] means child has excess (lesser) mass-for-height, but is not considered obese [wasted]
